

VOA3R web site - legal disclaimer

By using this website you are accepting all the terms of this disclaimer notice.

Disclaimer

The material and information contained on this website are for general information purposes only. Whilst we endeavour to keep the information up to date and correct, VOA3R project partners makes no guarantee of any kind, either implicit or explicit, as to the completeness, accuracy, reliability, suitability or availability of the website or the information or related graphics contained on the website for any purpose.

In no way it can replace legislative, regulatory or administrative texts..

Certain links in this website will lead to websites which are not under the control of VOA3R project partners. When you activate these, you will leave this website. VOA3R project partners have no control over and accept no liability in respect of materials, products or services available on any website which is not under the control of VOA3R project partners.

It is our goal to minimize disruption caused by technical errors. However some data or information on our site may have been created or structured in files or formats that are not error-free and we cannot guarantee that our service will not be interrupted or otherwise affected by such problems. VOA3R project partners accept no responsibility with regard to such problems incurred as a result of using this site or any linked external sites.

European Commission notice

This project has been funded with support from the European Commission in the framework of competitiveness and Innovation Programme - Theme [CIP-ICT-PSP.2009.2.4] [Open access to scientific information] (grant agreement 250525). The documents published on this web site reflect the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Copyright notice

Except where otherwise stated, downloading and reproduction of documents or information available on the VOA3R project website for non commercial purposes is authorized. Only deliverables in the outcomes section are official monitoring results and are approved for citation and professional usage (e.g. in presentations, power points, etc.) only with specific authorization of the holders of the copyright of the deliverable.

The permission granted above does not extend to any textual or artistic material (drawings, photos, audio, video, etc.) on this site which is identified as being the copyright of a third-party. In these circumstances, authorization to reproduce such material must be obtained from the appropriate copyright holders.

All logos and trademarks are excluded from the general permission above.

Personal data protection

Any personal information you provide to VOA3R project website will be held securely, and your personal details will not be disclosed to third parties. These data will be kept 6 months in our files before being destroyed.

Confidentiality

VOA3R project members who want to use the “logged-users-only” parts of this website are asked to register individually and to log into the system with their personal codes. These codes are strictly confidential and personal, and any kind of diffusion, or use of these codes by a third person, is strictly forbidden.

The information contained in the “logged-users-only” parts of this website is strictly confidential and reserved to VAO3R project members who are granted with personal codes.
